

Aron investment fund loan

Introduction

In order to encourage Aron investment fund members to start trading, Aron Groups Broker offers them a loan up to 50% of the deposited amount.

This loan can only be received by Aron investment fund members and has 2% for six months and 2% for three months.

This loan doesn't require a guarantor and will be deposited to the applicant's account within 72 hours.

Loan procedure

- First, the investor makes a deposit to Aron investment account to buy investment shares (100 U.S Dollars each).
- Then, the applicant shall send his/her request to customer support via submitting a ticket.
- The applicant shall deposit the commission amount to his/her wallet.
- The loan will be deposited within 72 hours. This loan can only be deposited to a U.S Dollar account.

Terms and conditions

- This loan can only be received by Aron investment fund members.
- This loan has 2% commission for six months and 2% for three months.
- The loan must be paid back completely at the time of expiration, and can not be paid back monthly.
- This loan does not have any delay penalty and the applicant must have free margin in their trading account, otherwise the loan will be deducted.
- This loan can not be withdrawn and can only be used for trading and can be deposited to any account except Aron Bank and Aron investment fund.
- Please keep in mind that this loan will be funded to your USD account and no withdrawals can be made when the loan is deposited. If you want to make withdrawal from this account, you must submit your request via the ticket system.

**ARON
GROUPS**

- If the account is funded beforehand or profit is made, withdrawal can be made only if all positions are closed and the balance is more than the loan amount. Otherwise, no withdrawals can be made until the due date of the loan is reached or the loan is defaulted.
- Loans begin on the first day of every month, when investment fund of the previous month closes.
- Clients are able to terminate this loan by paying 5% more commission and submitting their request via a ticket.
- Contract termination is only applicable on the entire loan. Clients are not able to terminate a portion of the loan.
- In order to prevent misuse, the pledged amount is set to 200% of the received loan and will be blocked until the expiration date of the loan, and withdrawals can be made only via the ticket system.
- Clients are able to trade and invest freely during the loan contract, but they can not withdraw the pledged amount until the expiration date of the loan.
- For those clients who request several loans, the due date of all loans will be synchronized to the first one and the commission for next loans will be 3%. If the due date is in less than 3 months, the existing loan must be settled before requesting another one.
- The loan contract can not be extended and must be settled at the time of expiration.
- This Offer can't be used at the same time as the deposit bonus of Zulutrade account, in case of depositing the loan to Zulutrade account, the deposit bonus in the account will be deleted.
- In case of registering with the identity of a third party, the violator will be fined and all his/her accounts will be blocked.
- In case of any violation regarding the company's terms and conditions, Aron Groups Broker reserves the right to block the violators' account, fine them and stop providing services to them.
